## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 8-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: The Applicant discloses a pair of flaps with a locking slot supported by each latch head. The prior art of record, including that of Babson and DiSilveria (previously cited), does not disclose such a structure for use in moving the latch pins of the stanchion release bars up and down for engagement and disengagement of the stanchion bars.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
